EDUCATION

PES University (main campus)

Computer science Engineering (AI & ML) B.Tech

GPA: 6.92

Bengaluru , Karnataka

Sep 2022 - July 2026

Saptagiri PU Independent College

Science (PCMB) Pre-University

Percentage: 83.5%

Bidar , karnataka

Agu 2020 - March 2022

EXPERIENCE

Pes University | Intern

Bengaluru , Karnataka | 9 June - 9 July

- - Completed a 1-month academic internship (2 credits) focused on developing an AI-based online examination proctoring system.
- - Utilized Machine Learning and Deep Learning models to detect suspicious activity, including face recognition, eye movement tracking, and multiple-person detection.
- - Gained experience in real-time video processing and system integration for automated exam monitoring.

SKILLS

Programming Languages: C, C++, JAVA (basic), HTML

Libraries/Frameworks: JavaScript, React, TensorFlow, Pandas

Tools / Platforms: Git, Linux, Mac, Windows, VS Code, Docker, PowerPoint

Databases: MySQL, MongoDB, PHP

PROJECTS / OPEN-SOURCE

Hotel menu web pages | Link

HTML , CSS, JS

In this project we did simple 4- 5 web pages and which are inter connected and responsive too for hotel menu items selection like making orders in sitting places(from the table) only ...

Music _recomandation_ using _python | Link

Python , Kaggle for dataset

In this project we did an algorithm for music recommendation system using spotlight dataset .

Chat _room-with-server using python | Link

python, TCP, UDP, SSLM, HTTPs...

In This we wrote the code for both server side and client side as well and multiple client can connect with the server and communicate each other with privacy ...(because we included SSL..) which encrypt the clients data .

CERTIFICATIONS

- Java - Basic Level Certification. - **HackerRank**
- Problem Solving (Intermediate) Certificate - **HackerRank**
- ReactJS - **Infosys Springbord**
- Data Analysis with Pandas and Python - **Infosys Springbord**
